# You invested in the best equipment— now A-dec can help you turn it into cash.

Is your A-dec equipment in good working condition? Was it manufactured after 2005? Is it a 300, 400, or 500 series product? Reach out to your A-dec Territory Manager to see if your equipment qualifies for our equipment buyback program.

## 4 easy steps to get cash back:

Your A-dec Territory Manager determines if your equipment qualifies for buyback.

A-dec offers you a quote based on your equipment's age and condition.

Your A-dec equipment is deinstalled and sent to your dealer location.

A-dec receives and inspects your equipment, then sends you a check.

## Reinvest in the best

If you're looking to upgrade to new A-dec equipment, the buyback program is the way to go. You'll get the best offer when you sell back your current A-dec and purchase new A-dec at the same time.

## Not placing a new A-dec order?

The buyback program is still an option, with a few differences. We still offer cash back, but you'll be responsible for coordinating the deinstallation your used A-dec equipment and preparing it for shipment. Contact your A-dec Territory Manager for more information.
