## A-dec® Protect and Sanitize Station

Encourage healthy habits with A-dec's **Protect and Sanitize Station**. Patients can easily access hand sanitizer, tissues and face masks on one convenient stand. The durable, compact design fits seamlessly into your waiting room. It's a visible way to boost patient confidence—and show your commitment to maintaining a clean, safe practice.

Designed for fast and easy loading, with a locking door to safely secure supplies.

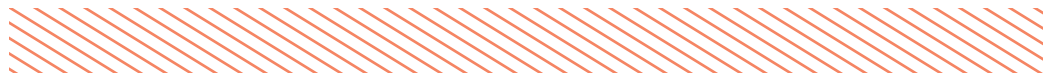

Touchless hand sanitizer dispenser with built-in drip shield. (Includes one PURELL® cartridge.)

CDC-compliant signage reminds patients to “Cover Your Cough” in English, Spanish or French Canadian.

Accommodates standard tissue boxes (4.75" x 10" x 3") and standard face mask boxes (8" x 10" x 4.75").

The compact unit measures just 56.5" x 14" x 16.5", to fit almost anywhere in your waiting area.
