Empower your group practice with A-dec solutions that help you work more productively, comfortably, and intuitively. Configurable for your clinic, A-dec 300 Fleet packages offer everything your DSO needs—including a range of customizable options together with legendary A-dec quality and reliability.

Every A-dec 300 Fleet package includes:

- Dental chair (311ft)
- Traditional delivery system (332ft)
- Doctor's and assistant's stools (521 and 522, or 421 and 422)
- Radius® LED light (372L or 572L)
- Assistant's package (351)

311ft chair features:

- Compact design—fits a wide variety of operatory spaces
- 60° chair swivel with brake—for easy rotation and patient positioning
- Dual-articulating, gliding headrest—comfortably supports patient's head and neck
- Hydraulic lift—for smooth, quiet, quick positioning
- Contoured floor box—discreetly houses air and water controls
- 300-watt power supply

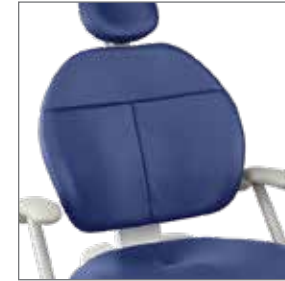

332ft delivery system features:

- Balanced flex arm with air brake—for easy positioning and stability
- Four handpiece holder positions—customizable for multiple tools
- Radius-mounted—rotates around the dental chair for right- and left-hand compatibility
- 2-liter, quick disconnect, self-contained water bottle—to easily control treatment water quality
- Adjustable air coolant—prevents handpiece damage from frictional heat
- Individually adjustable water coolant—accommodates coolant needs for each handpiece

351 Assistant's package features:

- Autoclavable HVE
- Saliva ejector
- Syringe
