

A-dec 511R/532R Dental Chair Package

Affordable. Sustainable. Authentically A-dec.

Now you don't have to wait to own the best. A-dec Certified Pre-Owned puts premium dental equipment within reach. By purchasing pre-owned, you get legendary A-dec comfort and performance at an affordable price — so you can equip your practice with the best.

Reliable

A-dec Certified Pre-Owned equipment is refurbished with genuine A-dec parts, to our high standards. As part of a rigorous multi-point inspection process, skilled A-dec technicians inspect and replace high-wear parts.

Sustainable

A-dec Certified Pre-Owned reduces waste by keeping useful equipment out of landfills. And because restoring equipment takes only a fraction of the energy and materials of manufacturing it brand new, A-dec Certified Pre-Owned is an earth-friendly choice.

Certified

You'll have peace of mind knowing that your equipment is inspected, refurbished, and fully supported by the same company that made it. A-dec Certified Pre-Owned packages are backed with a 3-year parts warranty, and live A-dec Customer Service is available to support you.

All the value of pre-owned. All the quality of A-dec.

You can choose A-dec Certified Pre-Owned equipment with confidence, because no one knows A-dec like A-dec. Our equipment is refurbished by skilled A-dec technicians. Using genuine A-dec parts. Tested and certified the A-dec way. Backed by an A-dec warranty and unparalleled A-dec Customer Service. And sold only by authorized A-dec dealers.

Inventory is updated frequently—visit certified.a-dec.com to see our current Certified Pre-Owned packages.

Here's what you need to know.

How do I order?

Visit certified.a-dec.com, click the Shop tab, then set the search filters to match your preferences. After you find the equipment you want, choose your upholstery color and style. Then contact your A-dec Territory Manager or your authorized dealer with the stock number to start the sales process. Once A-dec receives a purchase order, the equipment will be shipped to the dealer in 5-7 business days.

How do I know the condition of the equipment?

Every piece of A-dec Certified Pre-Owned equipment must meet our high standards and pass a multi-point inspection. Then it's rated Fair, Good, or Very Good based on a combination of its age and appearance. For transparency, each package listing includes up to eight pictures of the equipment and the most noticeable blemishes.

Can I choose a different upholstery color?

Yes. New formed upholstery—in your choice of any standard color—is included in the price. Upgrade to sewn upholstery in any standard color for a small surcharge. All upholstery is the same stock we use for brand-new A-dec chairs.

If everything is sold “first come, first served,” how do I know what's available?

Equipment is only marked “Sale Pending” when A-dec receives a purchase order. Occasionally, equipment that appears available is already in the sales process. If you see a package you like, we encourage you to reach out to your A-dec Territory Manager or authorized dealer right away.

Can I add additional equipment to my package?

Talk to your A-dec Territory Manager or your authorized dealer about other products you'd like to order. Any additional equipment will be ordered, shipped, and installed separately from your A-dec Certified Pre-Owned equipment package.

What is the warranty?

A-dec Certified Pre-Owned equipment is backed with a 3-year parts warranty and unlimited access to A-dec Customer Service.

Does the price include shipping?

Freight charges are not included in the package price. Your dealer will estimate those charges before placing your order.

Can I trade in my current A-dec equipment?

A-dec has a program for doctors to sell or trade-in qualified A-dec equipment manufactured in 2005 or later. To learn more, talk to your A-dec Territory Manager.
