This Color Guide is where it all begins. See what's available, then visit **[a-dec.com/InspireMe](http://a-dec.com/InspireMe)**, where you can put together design options, create customized palettes, and order color samples.

The choices are all yours. Now, it's time to be inspired.

From distinctive patterns to soft translucent colors, infills add an interesting look and elevated aesthetic to your operator. Infills are framed with silver metallic trim for an elegant, and durable, finishing touch.
