Delivery System.

Seamless Integration

- Integrate up to two accessories, including intraoral cameras, electric handpieces, curing lights or ultrasonic instruments.
- Add future products easily with the A-dec 300's advanced delivery system platform.
- Control the cuspidor, dental light, handpieces, and integrated ancillaries with the optional deluxe touchpad.

Ergonomics & Reliability

- Reduce strain and fatigue. The A-dec 300 delivery system positions easily and places your handpieces and ancillaries within gentle reach.
- Get the reliability you've come to expect from a worldwide leader in quality dental solutions.

Options & Versatility

Also available on the A-dec 300 support center:

- **Assistant's holders**—choose 3- or 4-position holders with either cuspidor-mounted or telescoping arm.
- **Cuspidor**—the contemporary design features a removable contemporary-style, glass bowl.
- **Dental Light**—choose from A-dec's selection of post-mounted lights that meet your clinical needs, including the A-dec LED.
- **Monitor Mount**—positions easily over the patient for convenient patient consultation and education.
