

GET MORE FOR YOUR MECHANICAL ROOM.

Compact footprints, stackable designs and quiet operation give you total freedom for your mechanical room placement. Responsive, on-demand technology adjusts in real time, channeling air and suction exactly where they're needed. And easily upgradeable configurations make it simple to increase your capabilities as your practice expands.

Built-in sound cover with every A-dec model.

*Terms and Conditions

Offer effective from July 1, 2023 to December 31, 2023. Valid in U.S. only. Promotion not available in Canada. All regularly priced and complimentary products must be on same PO and shipped from A-dec. Follows standard mechanical room pricing policy: dollars qualify for clinic discount policy, can be combined with Combo Discount, and can be combined with Tandem System Pricing. Orders that are cancelled and rebooked will be rescheduled at current lead times. Returns: credit will be issued on unopened packages, minus a 20% restocking fee and/or value of complimentary good. Promotional items are subject to product availability. A-dec reserves the right to change or cancel this offer at any time. Offer void where prohibited, restricted, or taxed. Promo not available to National DSOs and Large DSOs. Promo is available for Emerging DSOs.
